Almost entirely fatty

Scattered Fibroglandular densities

Heterogeneously dense

Extremely dense

**Mammograms alone may not be enough to find breast cancer.**

Four out of 10 women have dense breast tissue. Dense breasts make a woman up to six times more likely to develop breast cancer. This increased density can make it very difficult to detect cancers with standard mammography alone.

Now available at Southwest Diagnostic Imaging Center, our Automated Breast Ultrasound (ABUS) in conjunction with mammography as a screening protocol has been demonstrated to increase breast cancer detection by 35% in women with dense breasts.

# Residents,

**publisher's note**

Photo by Jin Kim Studio

## OCTOBER IS HERE, FALL IS IN THE AIR.

In this issue, you will get to meet the DiFrancesco family. They love their sports teams and living in Preston Hollow. In Precious Pets, you will get to meet Betty and Bode, lovable Labs who happen to be kissin' cousins! Our Making A Difference feature highlights Children's Cancer Fund and the incredible work of *Preston Hollow Life* residents at our recent event.

Amber Harrell shares the recipes she prepared at our FOODSTRAVAGANZA event. If you didn't get to taste them, you are going to want to make them for your family! Speaking of the FOODSTRAVAGANZA, we appreciate the incredible attendance by *Preston Hollow Life* residents and sponsors for this fun-filled evening. Also inside, you will learn more about Carlyn Galerie and the incredible selection of contemporary crafts for that special gift or special piece to add to your collection.

You will get to know another one of our valued sponsors, Dr. Wesley Anne Brady of Women's Wellness Institute. She has dedicated her practice to women's health and well-being.

We have some amazing events coming up... so mark your calendars and get your RSVPs in! Our Botox, Beauty, Baubles and Bubbly event at Johnny Rodriguez the Salon is October 20. It will be a special night with live Botox and Kybella demonstrations, makeup and makeovers, hair dos (and don'ts), delicious

treats and bubbly, gifts and accessories for the holidays and more! See you there!

Also, join us October 22 at Ed Kellum & Son for a holiday cookie baking and decorating event. Both the kids and kids at heart will love this, and it promises to be a sweet event. There will be prizes and giveaways you won't want to miss.

We hope you enjoy your October issue of *Preston Hollow Life*. With this issue, we mark one year of publication. We couldn't have done it without your support. As always, thank you for your great feedback, stories, photos, comments and ideas. We love hearing from you and hope you keep them coming. Be sure to support all the sponsors who make this publication possible and free to the residents every month.

**All the best,**

*Annie Bendalin  
Davenport*

Preston Hollow Life's  
FOODSTRAVAGANZA  
Recipes

By Amber Harrell, Resident Foodie | Photos by Jin Kim Studio

Amber Harrell

It seems like cooking competitions are all the rage these days, and everyone is vying to get in on the action. So recently, *Preston Hollow Life* faced off against *University Park Life* for a lively night of friendly competitive cooking. A good time was had by all and the best part, both sides cooked up amazingly delicious dishes, savored by all the guests.

Here are the recipes from the *Preston Hollow Life* team...

Make all of the recipes for a complete dinner, or pick and choose a la carte to pair with something else. You will come out a winner with family and friends either way.

Olive Oil Oven Fried Chicken

- 8 chicken thighs, bone in skin on (you may substitute any cut and style of chicken, but the moistness will vary accordingly)
- ½ cup olive oil of choice (I use an herb infused olive oil, but plain will work as well)
- salt and pepper

Preheat oven to 400 degrees. Line a sheet pan with parchment paper. Do not use foil. The chicken skin will stick even if you use a non-stick spray. Brush each side of the chicken with olive oil and then liberally salt and pepper each side. Place chicken skin side down on the parchment paper, and roast for 25 minutes before turning skin side up and roasting another 20 to 25 minutes. If you are using a different cut of chicken, you will need to adjust the cooking time accordingly.

Green Bean New Potato Hash

- 1 lb. small red potatoes, quartered
- 1 lb. green beans
- 2 shallots, minced
- 2 T lemon olive oil
- 1 t fresh thyme, chopped
- salt and pepper to taste
- 2 t lemon juice
- ½ cup queso fresco

Bring a pot of salted water to a boil and drop in the green beans – cook for 3 minutes and shock in an ice bath. In the same pot of hot water, bring potatoes to a boil, lower the heat and cook until tender and soft, then drain. While potatoes are still warm, toss in olive oil, salt, pepper and vinegar. Dry the green beans on paper towels, and then half both length and width. Sauté shallots in hot

oil in a large non-stick pan, add green beans, thyme, salt, pepper and lemon juice; sauté 3 minutes and then add potatoes and cook 3 more minutes. Top with queso fresco for service.

Lemon-Chive Aioli

- 1 large egg
- 1 t finely grated lemon zest plus 1 T lemon juice
- 1 t Dijon mustard
- 2 garlic cloves
- 1 t water
- ¼ cup vegetable oil
- ¾ cup lemon olive oil
- 2 T minced chives

In a blender, combine the egg with the lemon zest and juice, Dijon mustard, garlic and water, and puree until smooth. With the machine on, drizzle in the vegetable oil and ¾ cup of the olive oil until emulsified. Scrape the aioli into a bowl, and stir in the minced chives.

Avocado-Tomatillo Salsa Verde

- 1 avocado
- 1 romaine lettuce leaf
- 1 jalapeño, finely chopped
- ¼ white onion
- 1 garlic clove, peeled
- 1 lb. tomatillos, rinsed and quartered
- ½ cup packed cilantro leaves and tender stems

Scoop avocado flesh into a blender and add lettuce, jalapeño, onion, garlic, tomatillos and cilantro and blend until smooth – season with salt and pepper.

Remember, "BE FEARLESS IN THE KITCHEN!"

**JOSEPH AND MARGARET DiFRANCESCO AND THEIR TWO DAUGHTERS, WADIE AND MAGGIE, HAVE LIVED ON ORCHID LANE SINCE 2013, ALONG WITH THEIR WHITE LAB, LILY. LILY WAS BORN ON EASTER SUNDAY SO THEY NAMED HER AFTER A WHITE EASTER LILY. THEY MOVED TO PRESTON HOLLOW FROM UNIVERSITY PARK.**

Wadie, a freshman at The University of Texas at Austin, recently pledged Pi Beta Phi sorority, while Maggie is a sophomore at Ursuline Academy, where Wadie and both her aunts also graduated. The girls are involved with National Charity League and Girl Scouts as well as school and club volleyball. Maggie's club team won its division at the national-qualifying Lone Star Classic tournament and competed at the 2016 USA Volleyball Nationals. In addition, this past summer, Maggie interned at Highland Park Animal Hospital, and Wadie tutored math and English to middle-schoolers.

Joseph has worked as a licensed master plumber for 35 years. A third-generation plumber, he currently owns and operates his family's business, Public Service Plumbers, Inc., which was founded by his parents. Joseph also serves on the City of Dallas Building Inspection Advisory, Examining and Appeals Board as the plumbing representative. Their home on Orchid has the distinction of being the first home in the City of Dallas to install a multipurpose fire sprinkler system. Joseph received his license and seal from the state of Texas

Maggie

Wadie

Margaret and Joseph

to install these new innovative systems prior to building their home in 2013. Margaret is in real estate development and Investments and a board member and chair of the security committee for the University Crossing Public Improvement District, a 122-acre business development bordered by North Central Expressway, Mockingbird Lane, Greenville Avenue and Lovers Lane.

Joseph grew up in Dallas and Margaret grew up in Hollywood, Florida. Joseph earned his bachelor's from The University of Texas at Dallas after serving in the Marines, and Margaret studied at SMU, where she was a Chi Omega.

The family enjoys hanging out in their backyard and watching volleyball. Joseph likes hunting and fishing and anything that revolves around the family. During her free time, Margaret enjoys golf and serves as the volleyball team manager as well as a school volunteer at the Ursuline Book Store. They also volunteer and chair committees at Ursuline and Christ the King.

Joseph and Margaret love spending time with family and friends. They especially love looking for scalped tickets to the Cowboys game after Thanksgiving lunch. Joseph shared some memories from the 2008 game at Texas Stadium. Following Thanksgiving Day lunch, Joseph, Margaret, Maggie and Wadie, who was scheduled to have a tooth pulled in the next couple of days, jump in the car and head to Texas Stadium in search of tickets and a parking pass. Joseph has to have the parking pass! They come across tick-

ets fairly quickly, but the price is a little more than he wanted to pay. As he discusses the price with the seller, Wadie reaches in her mouth and pulls out her own tooth, saying, "Here Daddy, I saved us money at the dentist." Needless to say, Wadie was determined to get to that football game, even if it meant pulling her own tooth! Now, that is a Cowboys fan!

They also cheer on the Rangers, Mavs and Stars. It's safe to say they will be cheering on the Texas Longhorns in the coming months and years given Wadie's recent decision to attend UT. Hook 'em Horns!

When it comes time for dinner at home, some of the family favorites include the family Italian recipes, lamb, steak, lobster and of course, Margaret's famous breaded chicken cutlets, "chicken italiano." When they aren't gathered around the family table, some of their favorite dining spots include Prego's on Greenville Avenue as well as Sushi Star and Fish City Grill, located just around the corner from their Preston Hollow home.

They like to vacation at different destinations each year. Last year, they went to Puerto Rico and this past summer spent time in Hawaii.

Joseph and Margaret told us Preston Hollow was attractive to them because of the centralized location, lot sizes, neighborhood landscape, green foliage and incredibly friendly neighbors. "We are so glad to call Preston Hollow home," they said.

Betty

Bode

# MEET *Betty & Bode* KISSIN' COUSIN LABS

Betty and Bode are cousins. Their mothers were sisters, and they came from Twilight Run Kennels in Farmersville, Texas. They are also the most loyal and sweet dogs we have ever had! They can't wait for us to come home and they really love each other – you can tell. They wait for each other to go outside.

When they wake up, Betty is always in one of the bedrooms and Bode is usually in the family room on the floor or dog bed. But when they finally see each other, there is the tail wagging and little kiss every morning.

Betty was my name on the tennis team when my kids were little, short for Betty Crocker because I was always cooking up something. It turns out that it is the perfect name for Betty because she is so sweet and loves to be loved and needed. Bode was named after U.S. Olympian Bode Miller. But Bode is really nicknamed “The Sheriff” because he does exactly as he wants, lounges around and does his own thing. He is in charge and loves dinnertime.

Bode shakes but will not bark. Betty speaks but won't shake. Both can sit and Betty will fetch the ball for hours. As for “The Sheriff,” he takes his time and typically, one throw is enough before he settles in for another nap. Betty swims like a fish, and Bode would rather be poolside. Betty is the hunter; she loves to quail hunt, and Bode won't go near one. They are truly opposites. Bode is a digger, and he'll dig a hole and lie in it. Not sure Betty

knows how to dig! Bode will watch TV with us, but not Betty! She's watching who is coming and going down the street.

Betty is sweet, submissive and a good listener. Bode snuggles as if he weighed 12 pounds, but he is actually 100! So we have the best of both worlds.

Betty will eat ANYTHING that's left on the counter so we have to be very careful. Some of her best steals...a pot roast, angel food cake, half a pizza with jalapeños and a loaf of bread. Bode waits for her to get the food and partakes in the feast unless he is napping. Bode has the sweetest face and when he is hungry, we know because we get the cutest stare down on the planet! If we're sitting, he will rest his chin on our leg or arm and just stare with the most precious face. We have to tell Betty how pretty she is before she will eat her food!

Betty is the spoiled one; she will only sleep on our Tempur-Pedic®! We've bought every kind of dog bed imaginable, but she always sneaks back into our bed. Bode is easy and only requires food and lots of naps!

# Cookin' for a Cause

Photos by Jin Kim Studio

**P**reston Hollow Life cooked up the perfect recipe for a great neighborhood Foodstravaganza filled with delicious food, great conversation, wonderful friends and generosity at the Elite Appliance showroom. Resident Foodie Amber Harrell and her sous chef Delia Johnson Prine headed up the *Preston Hollow Life* cooking team for our friendly neighborhood cooking competition with our friends and neighbors from *University Park Life*.

Amber and Delia's olive oil oven fried chicken with an avocado tomatillo relish green beans with lemon garlic aioli and buttered smashed red new potatoes did not disappoint and was enjoyed by all. Please check out her recipe in the "Taste of Preston Hollow" feature in this issue. You are going to want to try this recipe when you want to impress your family or friends.

Representing University Park, Alicia Nicoud and her sous chef Carrie Nicoud made a wonderful platter of smoked paprika chicken, lemon orzo and broccolini and peppers.

We would like to thank them for their tasty efforts and beautiful presentation.

Adding to the perfect event recipe, we were able to enjoy a beautiful art showing from Martin Lawrence Galleries, Dallas' premier gallery for blue-chip fine art. The display included the works of Pablo Picasso, Marc Chagall, Andy Warhol and more.

Guests noshed on hors d'oeuvres provided by The Spice of Life Catering along with wine compliments of Spec's and a delicious cake tasting from Nothing Bundt Cakes. At the cooking station,

all of the ingredients for the delicious recipes were graciously provided by Ben E. Keith Foods. The photo booth and music were provided by JCL Media.

The icing on the cake was the silent auction benefitting Children's Cancer Fund. We are thrilled to have been able to benefit such a worthwhile organization and are grateful that the generosity of *Preston Hollow Life* residents will help further the mission of this organization.

Guests enjoyed the opportunity to get together over excellent food and wine. Thank you to the residents and sponsors who helped make this happen. Be sure to come out to our next event!

# meet "THE GIRLS" FROM CARLYN GALERIE

## sponsor spotlight

By **Amber Harrell**, Preston Hollow Resident  
Photos By **Jin Kim Studio**

Cindi and Wendy

Carlyn Galerie is the place to buy the perfect piece of art for the house, the ever-so-thoughtful gift for a relative, the unexpected hostess gift for a big dinner party, the much appreciated teacher gift, the reward you buy yourself for getting through a long week gift. Go to Carlyn Galerie because they will have whatever you are looking for and probably something you didn't even know that you needed.

I have been shopping at Carlyn Galerie for over 10 years, and one of the most appealing aspects of the gallery is the mix of traditional selections that are always stocked and the elusive items from emerging new artists. The gallery is co-owned by the mother/daughter team of Cindi Ray and Wendy Dunhum. "The Girls" are always seeking new artists, who might not exhibit at the wholesale shows. The gallery is filled with fine examples of glass art - blown, fused, slumped, lamp worked and cast. Cases and tables display a variety of work by jewelry artists from around the country - everything from river

rocks to fresh water pearls, semi-precious stones to mixed metals. Interspersed throughout are pottery pieces made of raku, porcelain, sagger-fired, and so on. Wearable art from different fiber artists is a wonderful new feature in the Galerie. The marquis header artist is glass-blowing extraordinaire Carlyn, the namesake of the gallery and Cindi's daughter. A variety of her pieces can always be found on the shelves and/or walls. However, if you can't find just what you're looking for special orders are welcomed. "The Girls" will help you in the design process every step of the way. Traci Kerr, Martha Enriquez and Annette Crane round out the team.

Regardless of who is staffing the Galerie, rest assured you will be in good hands as they can offer suggestions that will elevate any occasion. There is a terrific bench in the store by artist

Drew Smith that is positioned directly in front of the desk. One of my favorite things to do is sit on the bench and watch "The Girls" work. They are nothing short of amazing, and whether you are a regular shopper or a new patron, you are greeted with a warm smile.

The holidays are right around the corner, and Carlyn Galerie kicks off the season in style with the most amazing glass pumpkin extravaganza. One wall of the gallery is covered stem to stern with pumpkins, gourds, acorns, and leaves of every shape, size, and color imaginable. Start a new tradition in your home with a pumpkin display and add to it every year, or pick up a pumpkin as a gift for someone to begin to build their own collection.

After the pumpkins are put away then it is time to roll out the red carpet for Christmas and Hanukkah. A menagerie of hand blown ornaments, menorahs, angels, serving pieces, candles, Christmas trees and decorative collectibles adorn the shelves, creating a fantasy land of glass and color. I have a collection of glass snowmen - snowmen who are jesters, Santa Clauses, sporting hats that are pies and moose ears, etc. Complete the display with candy canes, reindeer and miniature glass penguins for something truly unique. This is just a smattering of the ideas "The Girls" can help you with to make your home into a well-curated holiday tradition.

At the Galerie, customer relationships are built and nourished with care. Customers return time and again. There is a wide

...

...

range of pricing for that one stop shopping experience. For that truly special piece, there are layaway options to ease the strain on the pocket book. And don't forget, they box and bow beautifully at no charge. Plus, Carlyn Galerie accepts the Parnters Card (October 28 – November 6). It's a great time to get some early holiday shopping done and support a great cause.

It is not just the customers who love Carlyn Galerie. They have received many honors and awards over the years, including *D* Magazine's "top blown glass gallery" and "top spot to shop" as well as *Niche* Magazine's top 100 American galleries.

Stop by Carlyn Galerie and enjoy this delightful store, and "The Girls," who will welcome you with open arms.

PRESTON HOLLOW LIFE  
RESIDENTS MAKE AN IMPACT FOR

# Children's Cancer Fund

Preston Hollow and University Park residents raised more than \$4,000 to support Children's Cancer Fund (CCF) through a silent auction at our recent neighborhood cook-off. The auction items came from residents, sponsors and Dallas area businesses.

Melissa Maguire and Brittney Bannon of CCF

CCF was established in Dallas in 1982 by families of kids receiving cancer treatment at Children's Health. In 34 years, CCF has donated more than \$7 million to local pediatric cancer research and care initiatives in North Texas. This funding includes a \$2 million pledge to build one of the nation's best comprehensive cancer centers at UT Southwestern Medical Center and supports the annual salary of a child life assistant at Children's Health, who helps improve the inpatient experience of kids going through treatment.

CCF Development Director Brittney Bannon and Marketing and Events Coordinator Melissa Maguire work together to create awareness of CCF and raise money to support its initiatives. "It is because of the generous support Preston Hollow and University Park residents showed us that we are able to make an impact for children with cancer," Brittney said.

Our auction was just one way to support CCF. In April, the annual gala features children in a runway fashion show with celebrity escorts, silent auctions and live entertainment. Proceeds from the gala benefit Children's Health as well as a pre-selected pediatric cancer research project. Other events include golf tour-

Silent auction item benefitting Children's Cancer Fund

naments and dine-for-dollar events. "Every dollar makes a difference," Brittany said.

Later this month, Children's Cancer Fund will welcome its newest program, the free and family-friendly CCF Dallas Duck Derby, sponsored by the City of Dallas, Trinity Groves and Whole Foods, among others. On race day, 10,000 rubber ducks will race to the finish line on the Trinity River. The adopters of the first five ducks to cross the finish line will win prizes! Ducks are available for \$5 each, or they can be adopted in "flocks" on the race website, [www.duckrace.com/dallas](http://www.duckrace.com/dallas). The Duck Derby will be Saturday, October 22 from 10 a.m. – 2 p.m., with the ducks racing at 1:45. Bring your family and join in on the fun. You can support CCF and participate as a sponsor or a guest. Details are available on the race website listed above or at [www.childrenscancerfund.com](http://www.childrenscancerfund.com).

MEET

# Dr. Wesley Anne Brady

Photos by Jin Kim Studio

Wesley Anne Brady, MD

A HOMETOWN GIRL, BORN AT BAYLOR IN DOWNTOWN DALLAS AND A GRADUATE OF HIGHLAND PARK HIGH SCHOOL, DR. WESLEY ANNE BRADY IS A UNIVERSITY PARK RESIDENT WITH A VERY UNIQUE PRACTICE HELPING WOMEN WITH THEIR WELLNESS.

Dr. Brady went to The University of Richmond but missed Texas too much. Her hometown roots were calling and she returned to attend medical school at UT Southwestern and completed an internship/residency at Baylor University Medical Center. She finished her residency in 2002 and joined a large OB-GYN practice at Presbyterian Hospital of Dallas.

Having a desire to provide a more specialized surgical service for women and gain a little more control over her career, Dr. Brady decided to pursue cosmetic gynecology after reading a magazine article. She knew little about running her own business at the time, but her passion prevailed, and in 2006, Dr. Brady trained in California with one of the founders of vaginal rejuvenation. She opened Women's Wellness Institute of Dallas in 2007, where she has provided a highly beneficial service for thousands of women, many of whom feel it improves their feminine health, self-esteem and their intimate relationships.

Cosmetic gynecology is a rapidly emerging field focusing on vaginal rejuvenation (both surgical and non-surgical) and labiaplasty. Surgical vaginal rejuvenation refers to vaginoplasty, or surgical tightening of the vagina, and labiaplasty is the surgical reshaping of the vulva or labia (the outer and inner lips of the vagina.) The clinic also offers a wide range of non-surgical options for women's sexual health, including MonaLisa Touch® vaginal laser treatments for vaginal atrophy symptoms, like dryness and painful intercourse, which are experienced by the majority of postmenopausal women. Dr. Brady also offers ThermiVa® radio frequency treatments to tighten the vagina and labia without surgery. Dr. Brady's BioTE bio-identical hormone pellet program is popular with patients who wish to pursue

optimal aging while treating menopausal symptoms and weight gain. She also manages a thriving medical weight loss program.

Dr. Brady was the first physician in North Texas to specialize in cosmetic gynecology. With almost a decade of experience, she has performed more than 1,300 cosmetic vaginal surgeries on patients from all across the United States and as far away as South Korea and Australia. Dr. Brady has also trained other surgeons in the field of cosmetic gynecology. She feels it's very important that women understand they have more options now than ever regarding their physical, psychological and sexual health. She believes women need to be proactive in seeking specific health services and the ideal provider who can best meet their needs and help them achieve their goals. Women's Wellness Institute of Dallas focuses on patients' overall sexual wellness as one of the foundations of a healthy, fulfilled life.

In addition to the medical benefits her practice provides, a smaller, boutique practice has allowed Dr. Brady to establish a closer relationship with her patients as well as manage her career. As a wife and mother, this is a priority for Dr. Brady.

Women's Wellness Institute of Dallas employs an all-female staff and has an AAAASF-certified luxury surgical suite for maximum comfort and privacy.
